

EDER **Space Solutions**

Company Profile

Who We Are and What We Do

ABOUT US

At Eder, Our approach is to first research the project parameters, site context, services, budget and client requirements.

At the core of our mission, our professionals are committed to maintain the highest level of professionalism with technical excellence. We quickly review a number of options & fuse creative experimentation with technical knowledge to come up with innovative yet practical solutions.

We work with our clients to explore and define their requirements. Our commitment is to add value engineering, emphasize functionality with productivity and flexibility, we supply a wide range of modular furniture's & take up turnkey projects to provide end to end solutions.

This approach allows us to quickly review a number of options. We fuse creative experimentation with technical knowledge to come up with innovative yet practical solutions.

A brief introduction to our versatile services.

01

INTERIOR DESIGN & EXECUTION

We provide complete personalised interior design services along with execution services on a contract basis which covers all aspects such as False Ceilings, Partitions, Carpets, Blinds etc. through a team of experienced project personnel and skilled workmen.

02

MODULAR FURNITURE SOLUTIONS

We supply and install a wide range of modular furniture's catering to different segments of the industry such as ergonomically designed Workstations & Chairs. Meeting rooms, Board Rooms & Manager Cabin furnitures. Pedestals & storage units in both metal & laminate shades. We also cater to the needs of Height Adjustable Tables, Cafeteria, School, Lab & Training room furnitures as well.

03

VALUE ENGINEERING

Budgets often constrain the most well-thought out projects. We are focussed on providing our clients with the right solution, at the best possible cost.

04

RETROFIT & REFURBISHMENT SERVICES

From revamping suspended ceiling systems to workplace flooring, Furniture & Carpet refresh solutions our team of contractors can handle office refurbishments. We work closely with our clients to ensure their new workplace design strikes up the right impression while still remaining functional in every possible way.
